... a great annual event with a different twist for this special Haywood Nationals year!

The 2010 Northwestel Yukon Loppet is a great opportunity for cross country skiers to have fun and enjoy the beautiful, Yukon outdoors. Using the trails at the Whitehorse Cross Country Ski Club, the Loppet offers fabulously groomed tracks that cater to novice, intermediate or experienced skiers. For 2010 there are 4 distances: 30, 20, 7.5 or 3 km. This year's 30K course will have some different sections. All courses offer challenges and great views of the mountains around Whitehorse. Skiers wanting a longer outing are welcome to ski two laps of the 20K.

This year's mass start will be a giant gathering in the Ski Stadium between 10:30am and 11am. Skiers may depart any time after the 11am Start!

Because of the huge volunteer effort required for the 2010 Nationals, this year's loppet will be a no-frills event. Instead, the sponsor and organizers are challenging all club members and non-members alike to make this the largest ski outing that the club has ever hosted.
