- Set up and manage food or snacks.

- Required Abilities

- Patience and enthusiasm.
- Good communication and planning skills.
- Experience working with children, especially with kids activities/games.

- Required Certification or Documents

- RCMP criminal records check is required

- Training

- Even if not coaching, we would like the jamboree organizers to take the 2 first coaching courses of the NCCP certification. They will give you the basics of coaching and a better understanding of a child's needs in sports. The 2 online courses are "Coach Initiation in Sport" and "Introduction to Community Coaching". The club will refund you the course fees.

The NCCP Coach Initiation in Sport module introduces new or experienced coaches to the foundational skills of coaching, such as long-term athlete development, ethics, coaching motivation, and athlete safety and wellness. It also teaches the key coaching concepts and educational tools that are the foundation of the NCCP.

Under the supervision of experienced Learning Facilitators, this in-class workshop will teach parents and entry-level coaches how to deliver a series of age-appropriate skill development sessions to children in the Active Start stage of development. Coaches will also learn how to set up an effective terrain garden,

how to utilize terrain to teach technique, and how to advise parents on the ski equipment and clothing needs of their children.
