

Interviewer on the trails

The club would like to showcase through weekly social media posts, the amazing diversity of people we have on the trails. We are looking for 4 or 5 volunteers , who are out skiing, to stop and have a short chat with other skiers you meet on the trail or in the waxroom. Asking them what they like in the activity, why they are here, ... just a casual conversation to get to know them better. Ideally, we would take a picture of them (if they are willing) for our social media campaign.
